Over 2800 engineered kits for Harley-Davidson motorcycles from 1911 to present

// Where Excellence is a Standard //

★ MADE IN THE U.S.A. ★

Thank You for Choosing Colony...where excellence is a standard.

TERMS AND POLICIES

Payment Terms:

Mastercard and Visa are accepted for any shipment, eliminating C.O.D. fees.

International Orders:

Payments may be made by Wire Transfer, Money Order or Certified Check in U.S. Dollars or by Mastercard/Visa. All international orders will be shipped freight collect unless other arrangements are made.

Shipping:

Orders will be shipped United Parcel Service (ground), United Parcel Service (red label, blue label, 3 day select by customer request), Truck or United States Postal Service according to size and weight of individual order. We ship daily and prepay shipping charges on orders within the Continental United States totalling \$500.00 or over net. Minimum order is \$25.00. If minimum is not met a \$1.00 service charge will be applied.

Back Orders:

All back ordered items will be shipped to you within 30 days. Those backorders which we are unable to make complete within 30 days will be automatically cancelled unless notified by customer.

Returns:

Write or call for authorization before returning any merchandise. Invoice number and date of purchase must be included with any merchandise being returned. No returned goods will be accepted after 30 days from date of invoice. Any merchandise accepted for credit must be in new condition and will be credited at your cost less a 10% restocking charge.

Notice:

Colony is a manufacturer of after market products which are designed to be used on Harley Davidson motorcycles. The word Harley Davidson® and all words used in this catalog denoting model, motorcycle or number are intended for reference purposes only. No parts appearing in this catalog are licensed, sponsored or endorsed by Harley Davidson, Inc.®

These restoration guide books are a must for that perfect restoration. Very detailed with lots of photos so you will have no excuse not to have that 100 point restoration. Many thanks to Bruce Palmer, Johnny Sells, and Steve Slocombe for publishing these books and to guiding us in this enjoyable hobby.

Dyna Models. Replaces OEM 35242-06.

Motor Case Hardware

These complete motor case kits from Colony contain all the necessary hardware to bolt together the Harley motor cases. Each kit is packaged for the specific application. There are no universal "fits all" kits. We know that a rebuild job can only be as good as the nuts and bolts that hold it together. Available 3 ways: Stock with cad plating; Stock with chrome plating; Acorn with chrome plating.
